Plaintiff's Sarah Edmondson, et. al & Defendant's Keith Raniere et.al.

Dear Mr. Glazer,

Thank you for the items you enclosed.

I am not represented by counsel currently.

To be clear, I was not contacting your client regarding this litigation. My intention to contact her was to attempt to work out whatever personal issues there may be between two people that once cared for each other. Any discussion regarding litigation will be taken up directly with you.

Lastly, please note the change in email for future correspondence:
